Dt. 27.11.2020

To,
The Director
CGHS
New Delhi

Dear Sir,

We want to bring to your kind notice that Ayodhya is a very important dist. in view of international tourist places and crores of tourists are visiting and will visit in future also.

There are over 24 lakh people (in 2011 census) living in Ayodhya and a large majority are govt working/retired employees including BSNL Pensioners who are entitled for CGHS facilities but there is not a single CGHS dispensary available in Ayodhya UP.

In view of the above, kindly arrange to open CGHS dispensary in Ayodhya dist UP as soon as possible before it becomes a popular International Pilgrimage City. The footfall will increase and crores of central govt employees visiting in future could benefit from CGHS center.

Thanks.

Yours faithfully,

PALLAB BOSE
Circle Secretary
